

INNERBARK EUROPE S.L.

who we are

Formed in 2019 by husband and wife, Paul & Nichola, to offer the consumer an informed ethical choice of sustainable beauty products.

In an industry dominated by corporate giants, as an independent brand, we are able to offer authenticity and transparency whilst engaging with our customers on a personal level.

our mission

To provide aesthetically beautiful products, with no compromise in functionality, quality and effectiveness. Inspired by nature, from product to packaging, providing a totally Biodegradable solution.

our vision

To build an affordable brand which inspires conscious thinking.

PRODUCTS

I BODY SKINCARE

Our all inclusive range of products caters for all skin types. Inspired by nature, thoughtfully developed to ensure your skin is cared for in a natural non-toxic way.

Controlled small batch production using only natural & sustainably sourced ingredients. Carefully packaged in biodegradable containers & labelling.

I BODY PRODUCTS

In May 2021 we extended our range to include pure natural everyday, sustainable staple solutions.

Incorporating the same values across product and packaging.

The entire I Body product range is free from GMO, PEG, Parabens, Sulphate, Silicone & Mineral Oils.
